BILL OF SALE

This Bill of Sale (this "Agreement") is made as of July 5, 2005 by and between TwinStar Systems, Inc. ("Seller"), Arist, Inc. ("Buyer") and David Willenborg, a former employee of Seller and a current affiliate of Buyer ("Willenborg").

1. **Sale of Assets.** Seller, for valuable consideration, including without limitation, a cash payment of \$25,000 (the "Purchase Price"), the receipt of which is hereby acknowledged, hereby sells, assigns, grants, and conveys to Buyer certain (i) patent assets listed on Schedule A hereto and (ii) hardware and equipment assets listed on Schedule B hereto (collectively, the "Assets").

2. **Condition and Transfer of Assets.** Buyer hereby acknowledges that the Assets are being sold on an "As Is, Where Is" basis, subject to no representations or warranties by Seller of any kind, whether express or implied. For avoidance of doubt, Buyer acknowledges and agrees that Buyer, not Seller, is responsible for any decontamination, removal, shipping, installation or other costs including, but not limited to, legal fees associated with Buyer's purchase, transportation or use of the Assets on and after the date hereof. Seller hereby disclaims, and Buyer hereby releases Seller from, any and all liability relating to Buyer's use or reliance upon the Assets after the date hereof. Buyer hereby acknowledges and agrees to remove the Assets from Seller's premises no later than July 13, 2005.

3. **General Release.**

(a) Subject to the terms and conditions herein, Willenborg for himself and his heirs, agents, assigns, executors, successors and each of them, unconditionally, irrevocably and absolutely releases and discharges each of Seller and Enterprise Partners V, L.P. and Enterprise Partners VI, L.P. (collectively, the "EPVC Funds") and any parent and subsidiary corporations, divisions, and affiliated corporations, partnerships or other affiliated entities of either Seller or the EPVC Funds, past and present, as well as their respective employees, officers, directors, agents, attorneys, successors and assigns (each, a "Releasee" and collectively, the "Releasees"), from all claims related in any way to the transactions or occurrences between them to date to the fullest extent permitted by law, including, but not limited to, Willenborg's employment with Seller and/or its subsidiaries and all other losses, liabilities, claims, charges, demands and causes of action, known or unknown, suspected or unsuspected, arising directly or indirectly out of or in any way connected with Willenborg's employment or relationship generally with Seller and/or the EPVC Funds (other than and not including any claims arising under the terms of this Agreement). This release is intended to have the broadest possible application and includes all claims, including any and all tort, contract, common law, constitutional or other statutory claims, including, but not limited to, alleged violations of Title VII of the Civil Rights Act of 1964 and the California Fair Employment and Housing Act, the Americans with Disabilities Act, and the Age Discrimination in Employment Act of 1967, as amended ("ADEA") and all claims for attorneys' fees, costs and expenses.

(h) Willenborg declares and represents that he intends this Agreement to be complete and not subject to any claim of mistake, and that his release provided herein expresses a full and complete release and, regardless of the adequacy or inadequacy of the consideration, intends his release to be final and complete. Willenborg executes this Agreement with the full knowledge that his release provided herein covers all possible claims against the Releasees to the fullest extent permitted by law.

(c) Willenborg expressly acknowledges and agrees that all rights under section 1542 of the California Civil Code are expressly waived. That statute reads as follows:

A general release does not extend to claims which the creditor does not know of or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

4. Miscellaneous.

(a) This Agreement is executed and delivered in, and shall be construed and enforced in accordance with the domestic laws of the State of California, and shall be binding upon and shall inure to the benefit of the respective successors and assigns of the parties to this Agreement.

(b) This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

(c) Seller, Buyer and Willenborg each acknowledges and agrees that the EPVC Funds are intended third party beneficiaries of Section 3 hereto.

(d) The terms of this Agreement may only be modified by a written agreement duly signed by persons authorized to sign agreements on behalf of the parties hereto.
